Griffonia In your Mailbox!

Morning Tim!

It's been 7 days since we've last talked... Times flies, huh?

Anyway!

You should have Griffonia in your mailbox!

If you don't, please wait a few more days... And then contact customer support. (see below.)

They'll investigate the hiccup :-)

Being Happy, Strong, and Healthy.

Lets again go over some useful information...

Take one chewable in the evening. Before bed. On empty stomach — if you're not experiencing any nausea.

And remember...

Use Griffonia to create the life you want!

Here are some actionable steps you can take today...

1. Avoid toxic people
2. **Hide "breaking" news.**
3. Take long walks in nature.
4. **Exercise — Yoga. Jogging. Weight lifting.**
5. Eat a healthy diet. (90% of serotonin is produced in the gut!)
6. **Give yourself enough time and silence to digest distressing emotions.**

Nature's Most Helpful Tool.

Griffonia will help you move on, fix your life, and shield you from negative energy.

By raising serotonin levels, it will...

- **Make you happier.**
- Enhance your mood.
- **Help you deal with toxic people.**
- Tune down the negative mind chatter.
- **Shield you from bloodcurdling news stories.**
- Improve sleep.
- **Boost self-control.**
- Heal a broken heart.
- **Reduce junk-food cravings.**
- Shield you against fear and anxiety.
- **Nudge you towards positive actions.**
- Instill optimism.
- **Relieve distressing emotions.**
- Make you appreciate life more.
- **Help deal with the uncertainty of the future.**
- Help you mourn over the loss of a loved one.
- **Make you hopeful.**
- Make you more productive.
- **Dwindle hot flashes in menopause.**
- Ease addiction and withdrawal symptoms.
